Dear Brett,

The CEO of BlendJet, Ryan Pamplin, would like to speak directly with the CEO of Blendtec, Tom Dickson, regarding Blendtec's allegations and the suit in general (without counsel present). We propose that the parties agree that the conversation would take place under Fed. R. Evid. 408 and that anything said during the conversation cannot be used at deposition or trial. If that is agreeable, and Mr. Dickson is willing to participate in such discussion, please let us know and we can coordinate on scheduling.

With thanks,  
Lisa
